Important Calibration, order and payment information

- An invoice will be issued and emailed to you once the calibration of your PAT has been completed. Please do not make payment before receiving the invoice. Please indicate your preferred payment method below
- Your tester and order will be returned/shipped once the payment has cleared into our account

I understand that if the tester is unable to be calibrated it will be returned and a handling fee of \$55 plus shipping (incl. GST) will be charged

Please add any comments here if required:
